

Because of hot
popcorn, good jokes,
old books rediscovered,
new friends made,
sudden gifts, slow
Sundays, diets that
work, **men with dimples**,
men with dimples who
smile at me, **I believe.**

I am dark, fair, 14, fat,
40. **I love** my mom in law,
jokes, my boyfriend,
love stories, my mirror.
I've never dieted, told lies,
been kissed, been alone.
I want my space, love, a
big raise, kids. I cry,
I learn, I trust, **I believe.**

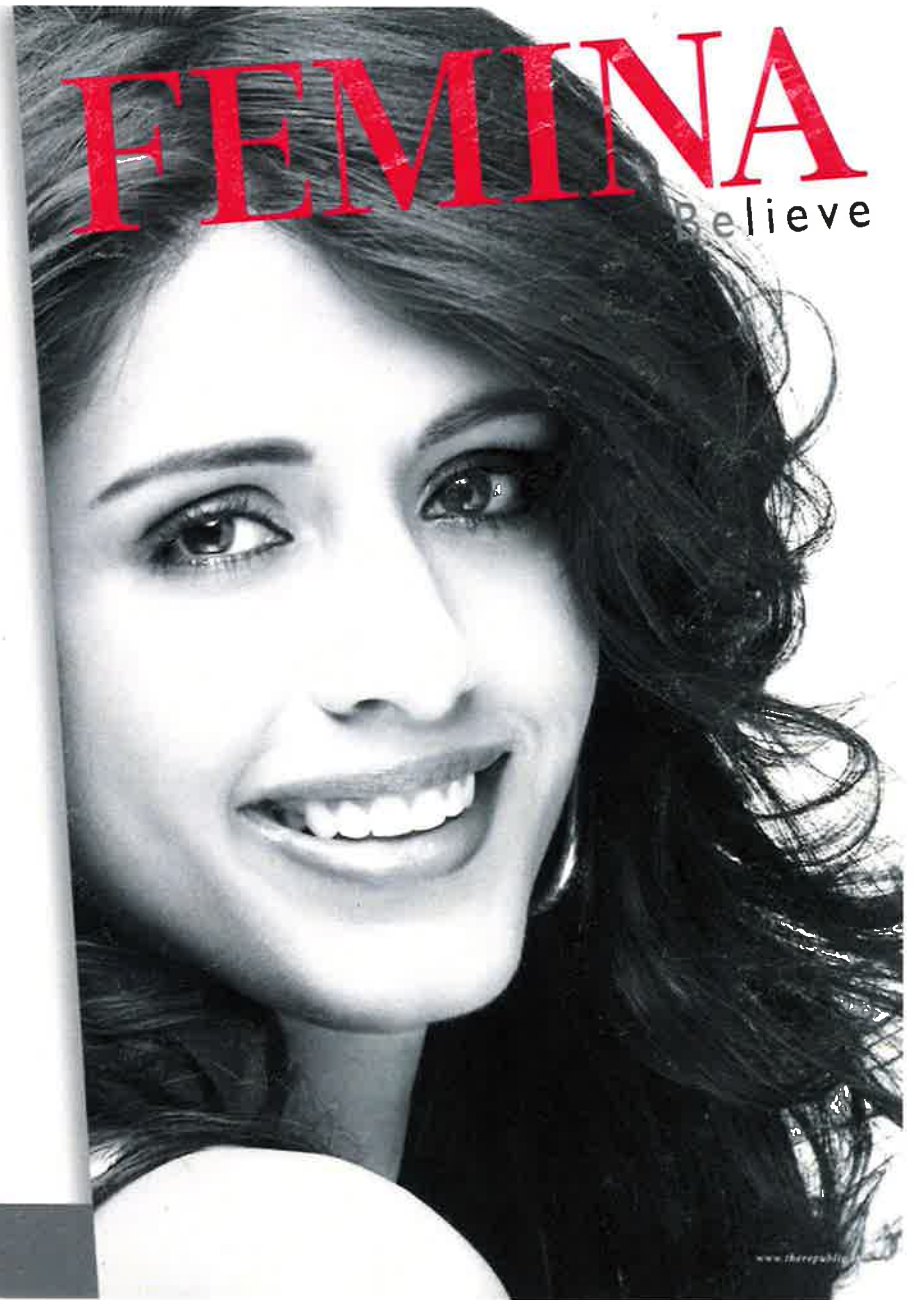

More than 53,000 women from across the country responded to the recent Femina Believe drive. 53,000 varied beliefs. One positive, passionate voice.

FEMINA
Believe

I fall and I pick
myself up. I lose
hope yet I dream.
I am lost and I find
myself again. I cry
and I laugh through
my tears. I despair
yet I believe.
