

About Us

Xceediant is your true hybrid partner. We bring the best products to our customers and the best customers to our start-ups.

The result is always a merge of the best technology, talent and customization for your cybersecurity needs. Moreover, Xceediant is with you every step of the way from start to finish.

Whether you are a customer looking for a cybersecurity solution to fit your needs or you're a cutting-edge tech-start up looking for your customer-base. If we take you on, we partner with you through the entire process.

We have been equally successful helping boutique hedge funds and financial firms

We have provided products and solutions to over 200 clients

Our roster of clients includes mega-finance names such as JP Morgan Chase, Citibank and Morgan Stanley

We have a team with over 100 years of experience in the industry

Our success areas include the SMB marketplace including K-12, higher education, retail and the SLED space

We're not new kids on the block

Xceediant has a history of sales and business development, along with technical expertise that is second to none. Our expert strategies and business methodology pave the way for start-ups to enter the marketplace at an accelerated pace. Our formula combines people, process and technology — enabling us to significantly influence the go-to-market timelines for start-ups. We then partner the right start-up with the right customer, resulting in a collaboration that benefits everyone.
